

Attention: Staff & Visitors

If you have any of the following symptoms: sore throat, hoarse voice, difficulty swallowing, affected sense of smell or taste, chills, headaches, fatigue, diarrhea, abdominal pain, nausea, vomiting, pink eye, runny nose, sneezing, nasal congestion, new cough, fever, shortness of breath, **please delay your visit, AND contact your health care provider or Telehealth Ontario** (1-866-797-0000).

Or if you:

- have recently worked in a location that is currently experiencing an outbreak where you have been asked to self-isolate while at work, **or**
- returned from traveling outside of Canada in the past 14 days, **or**
- have been in close contact with a confirmed or probable case of COVID-19, **or**
- have been in close contact with a person with acute respiratory illness and in whom a laboratory diagnosis of COVID-19 is not available, inconclusive or negative

If you are staff, you must self-isolate at work and notify your immediate supervisor.
